

EMC+SIPI 2018 ONLINE SYMPOSIUM TRAINING IN AUTOMOTIVE EMC

Interested in automotive EMI/EMC?

Look no further than the

► **EMC+SIPI 2018 Online Symposium!**

*As an
SAE-A member,
you can receive*

30% OFF

Your **ALL ACCESS** or
FUNDAMENTALS PASS
using coupon code

SAEA35

For those that can't make the trip to Long Beach, CA, USA for this year's live event from July 30th – August 3rd, the Online Symposium is a collection of 30 on-demand tracks discussing standards, best practices, and advancements in Electromagnetic Compatibility (EMC), and Signal and Power Integrity that are made available for online viewing within 24 hours of their presentation in California.

Three passes are available:

- All Access Pass includes all 30 tracks
- Fundamentals of EMI/EMC Pass is ideal for foundational training in EMC
- FREE Limited Access Pass, brought to you by the Master Sponsor Rohde & Schwarz, provides access to three tracks including the "Automotive EMC – Future Standards Updates and New Design/Test Methodologies" track!

Tracks will continue to be accessible after the event in California ends.

**Again, as an SAE-A member, you can receive 30% off your
All Access or Fundamentals Pass
using coupon code SAEA35.**

And remember, the Limited Access Pass – which includes access to the
Automotive EMC Track – is FREE!
