Dear Engineering Signatory/Expert Consultant and Witness

### 2018 Advertisement Registration

The Society of Automotive Engineers – Australasia (SAE-A) invites you to advertise in our quarterly Vehicle Technology Engineer (VTE) publication and on our website for the remainder of 2018.

As you know SAE-A is a non-profit organisation that works to serve the needs of its members and to promote the relevance of automotive-related technologies to governments, industry and the community. We are an influential society whose name is readily recognised in the mobility engineering sector, which encompasses automotive/mobility technology and all facets of transport equipment manufacturing including their supply chains.

The VTE magazine is one of a number of publications available by SAE-A. It serves the purpose of keeping our members: informed and up to date with the latest innovations and technologies, and involved in technical seminars and conferences. There are over 4000 readers of VTE and over 120 engineering firms including law institutions in all states including State and Federal Government departments.

We are offering the opportunity to have your details advertised on a page dedicated to engineering consultants and expert witnesses that qualify to act on behalf of the profession. A sample design of the listing is provided on page 2 of this letter. A digital copy of the list will also be available under our business directory on our website which can be accessed by our members and the general public at any time.

The pricing structure for 1/8<sup>th</sup> of a page size advert in the 4 editions in the 2018 publication (including the website) is provided in the table below:

Advertisement Pricing Structure	
Number of Editions (2018)	4
Member	\$ 250.00
Non-Member	\$ 450.00

\* prices excluding GST

If you are interested in advertising with us, please complete the details in the 2018 Advertisement Registration Form provided and return to us by post or email by **6 APRIL 2018**
