REGISTRATION FEE

The registration fee for all teams competing in the 2011 competition is AU\$4,180 (inc GST). This registration fee is non-refundable. *Please note:* your registration into the FSAE-A competition **will not** be confirmed until payment of the registration fee has been made. If you request an invoice please note that your team's registration will not be confirmed until payment has been received.

At the discretion of the organisers the number of competing teams will be capped to work within the facilities on site capacity. Successful applications will operate on a first in first served basis for those teams who have completed the registration documentation and paid their registration fee up to the due date, after that a ballot system will apply if required.

SAE-A MEMBERSHIP

As outlined in the Rules for the competition **all** participants in Formula SAE-A **must** be a member of SAE-A or their local SAE association. SAE-A student memberships are priced at \$55 (including GST). Attached you will find a membership application form for new members. Please note any membership applications received after the 1st August 2011 will incur a late fee of \$15. Any renewals not paid by 31st March 2011 also attract a \$15 late fee.

Students who are renewing their membership do not need to complete the application forms. They should pay on the renewal notices and reminder statements already sent to them or they can contact the SAE-A office direct on Tel: 03 9696-5190 to arrange payment.

ADMISSION TICKETS

At the time of publishing this kit it is the intention of SAE-A to not charge for admission tickets at the 2011 competition.

EQUIPMENT

Teams are required to provide their own maintenance equipment and parts. The exception is the fuel station and welding equipment which will be provided on site. Prior to being brought to the competition any electrical equipment being used on site by teams will need to be tested and have the appropriate electricians tag with a valid expiration date.

SITE ACCESS

The site will be accessible from **7.00am to 7.00pm** each day of competition. There will be strictly no admittance prior to or after these hours. Outside of these hours the site will be patrolled by security. Teams are encouraged to leave their vehicles on site each evening. If a team wishes to remove their vehicle they are required to obtain written approval from the Clerk of Course and also to be re-scrutineered the next morning. The event organizers reserve the right to amend the opening and closing time for operational reasons.

PIT AREA

SAE-A will sponsor all teams by providing a covered space of 5m x 5m for their pit area free of charge. Each pit will also have one power outlet supplied. Teams are advised to utilise this power source appropriately and to take into account other users. Equipment such as pie warmers and fridges are not deemed necessary items and will be asked to be removed from pit tents.

Teams will be able to park trailers and team cars nearby to these pit bays. Entry into your pit tent will be limited to competing members of your team and any authorized faculty members; at no time should members of the general public be admitted to a teams pit area. There will be strictly no smoking or BBQ/Cooking facilities operational in the pits. Closed toe shoes must be worn at all times in your pit area. No animals (including dogs) are allowed.

INSURANCE

SAE-A is pleased to advise that CAMS will once again be assisting with the appropriate event permits and insurances through Formula SAE-Australasia Inc. in accordance with CAMS rules ALL drivers are required to obtain Level 2S CAMS licences at a cost of \$100 per driver. If drivers could complete the licence application / renewal form (available from www.cams.com.au) and return it DIRECTLY TO CAMS before Friday 20th November 2010 it will ensure enough time for the processing and distribution of licences.

As per the SAE-A rules all drivers are required to have appropriate individual medical insurance in addition to their CAMS licences.

All competitors will be required to sign a Disclaimer Statement, copies are available on request. Individuals concerned about covering themselves for personal injury should arrange their own cover in advance of the event.

TRAVEL & ACCOMMODATION

Teams are responsible for coordinating their own travel and accommodation bookings. Our recommendation is to pursue accommodation in Werribee or Hoppers Crossing or alternatively the trip from Melbourne is only a 25 minute drive.

Some websites that may assist in accommodation bookings include:

Werribee Tourism Association – www.werribee.org.au

Tourism Victoria – www.visitvictoria.com.au

RACV – www.racv.com.au

ON SITE FACILITIES

Food facilities will be available on site for purchase from Friday to Sunday. You may also like to take your own food onto the site. Please note that if you plan to take your own food and drink, there is strictly no alcohol allowed on site. In addition to alcohol no animals, scooters (motorised and non), skateboards, go-peds, BBQ's and bikes will be allowed anywhere on site.

OFF SITE FACILITIES

A comprehensive list of facilities available in the neighbouring areas such as parts suppliers etc. will be compiled and be included in the event handbook.

INQUIRIES

If you have any inquiries about registration or the event in general please contact Michela Bartels at SAE-A on Tel: +61 3 9696-5190, Fax: +61 3 9696-5865 or E-mail: formulasae@sae-a.com.au.
